

Advertise with AIS

Atlantic Information Services, Inc. (AIS) develops highly targeted news, data and strategic information for managers in hospitals, health plans, pharmaceutical companies and other health care organizations. AIS products include print and electronic newsletters, looseleafs, books, directories, audioconferences, management seminars, strategic reports and databases.

More than 75,000 top decision makers in health care rely on AIS data and information. Check out the demographics below, then contact **Bailey Sterrett** at (202) 775-9008 x3034 or bsterrett@aispub.com to discuss advertising in AIS's e-newsletters or on AISHealth.com, or sending a custom e-mail promotion.

Access Top Decision Makers in AIS's E-newsletters and on AISHealth.com

✓ **AIS's HEALTH BUSINESS DAILY**, delivered daily via e-mail and available on AISHealth.com, contains strategic business stories and includes "People on the Move" — to help you stay on top of corporate leadership changes in the health care industry; as well as quick-and-easy news bites of interest to health care business leaders.
*21,568 Subscribers**

✓ **GOVERNMENT NEWS OF THE WEEK** is transmitted weekly on Mondays and includes 10-15 timely news stories from Washington, D.C., and the 50 state capitals. Articles are selected for their impact on hospitals, health plans, medical group practices, physicians and other health care providers.
*13,295 Subscribers**

*Surveys indicate that subscribers forward AIS e-newsletters to an additional 2-5 other people not included in numbers stated above.

✓ **UPCOMING HEALTH BUSINESS MEETINGS** is designed for managers and advisers of health plans, hospitals, and other large provider organizations. This meeting calendar is an ideal resource for companies looking for industry meetings to attend, as well as the perfect place to list upcoming events for your organization.

✓ **AISHEALTH.COM** - Tens of thousands of top decision makers in health care rely on AISHealth.com for news, data and strategic information that is updated daily. AISHealth.com generates more than 200,000 page views every month and traffic continues to grow dramatically, with 15,000 unique visitors per week.

Send a Custom E-Mail Promotion

Feature your product in a custom e-mail or press release to more than 28,000 AIS buyers and readers. No other advertisements or editorial content are included in this e-mail. Nothing will compete with your message. For more information on a Custom E-Mail Promotion, contact **Bailey Sterrett**, bsterrett@aispub.com, (202) 775-9008 x3034.

“World Congress’ investment in advertising through AIS’s e-blasts sponsorships and in their e-newsletters has helped to expand our brand, and has given us excellent exposure in the health care market. And, we will continue to use AIS advertising services to get our events in front of the health care executive market.”

-Jon Stock, Vice President, Group Marketing
World Congress
